Considerations shall be predicated on a player current DUPR Player Rating and any possible physical disabilities.
- i. Player stacking is strongly discouraged and a violation of the league rules.
- j. A Captain accused/discovered to have played any player rated at a higher skill rating than the Division they are captaining, will have their players data presented to the Captains Committee. Should said Captain be found guilty, the first offence shall be a "firm warning" to cease and desist, they may be considered a Captain in "Poor Standing". Should said Captain be guilty of continued player "stacking" the captain shall be excused from further league participation for the remainder of the season. All matches won utilizing an improperly skill rated rostered player shall be charged a match forfeit for that/those match(s).
- k. Any Captain in "Poor-Standing" shall receive further scrutiny/consideration, from the league Commissioner, Assistant Commissioner and the Grievance/Disciplinary Committee, for the next season's league participation as a Captain.
- l. Team Captains (or proxy) must attend mandatory league Captains' meetings as scheduled prior to every new season start.
- m. Team Captains shall be responsible for all rostered players to submit a signed "waiver" form and for collecting and submitting league registration fees.

LowCountry Pickleball Leagues By-Laws

- n. No player shall be eligible to participate in league match play until their signed “player liability waiver” form has been submitted to and received by the league management. Players must sign a new player liability waiver form every new season.
- o. Team registration fee must be submitted to the league Commissioner or league Treasurer one (1) month prior to league play or at the league captains meeting.
- p. Team rosters shall be a minimum of 10 to maximum of Captain’s choice, selecting players from the team roster for each week’s match play. In certain instances, with approval from the League Commissioner, teams may roster fewer than 10 players.
- q. All team rosters must reach the minimum of 10 players two (2) weeks prior to each season’s commencement. Exceptions may be considered and authorized by the Commissioner.
- r. Captains are permitted to make changes or add to their rosters until 2 weeks after the beginning of each season. All newly rostered players must sign a player liability waiver form prior to any/all league participation. Captains must alert the Commissioner of all roster changes.
- s. Captains must make every effort to field teams for their scheduled matches.
- t. Matches may be “split” if necessary, to complete the match. Ex: Team “A” cannot field 6 players as scheduled. With agreement from Team “B”, one match may play on the scheduled date, the two other matches may be completed on a separate date. This may be utilized for teams whose players may be employed, injured or unavailable. The league Commissioner must be notified of all “split matches”. All split match lineups must be submitted to the Commissioner at least 48 hours prior to play.

LowCountry Pickleball Leagues By-Laws

- u. Captains are expressly forbidden from playing any person(s) who is **not** rostered and has **not** completed a liability waiver. This may result in immediate dismissal as captain and forfeit of the matches played by the illegal player.
- v. Once the final league schedule has been released, all weather, injury, or short rostered canceled matches shall be the captains' responsibility to resolve or reschedule. All scheduling discrepancies or rescheduling must be brought to the Commissioner's attention.
- w. Team Captains shall exemplify good sportsmanship at all times, encouraging their players to play by the USAPA rules modified league rules and in conjunction with the Players and Captains Codes of Conduct.
- x. Captains should always encourage their players to give line calls "in doubt" to the benefit of their opponents. Per USA Pickleball rules.
