

Lowcountry Pickleball Leagues Rules

Team Rosters

Teams must have a minimum of 12 players on their roster by the roster deadline each season – roster maximum, Captain's choice. No player may "play down"! Ex; a 3.0 rated player may play on a 3.5 division team. Any player rated at 3.5 will **not** "play down" to the 3.0 division team.

All league members MUST create free memberships on DUPR.com and Picklenball.com to participate in league play.

Players may be added to the roster up until **2 weeks after the beginning of every season**. Captains may replace injured players throughout each season. The Commissioner **MUST** be notified, and the injured player removed from the roster.

Players must be at least 50 years of age by December 31 of the current year.

Team Captains are responsible for recruiting players, selecting players for each week of play – league Commissioner does not dictate how often a player gets to play from week to week during any season. It is recommended that captain's do their best to provide equal play time for all rostered players when necessary.

Play Format

3 courts play each week – Example: Team 1 vs Team 2, courts 1, 2 and 3.

Team Captains **must** place players in their lineups as follows; **"Order of Strength", players rated OoS 1 shall play on either court 1 or 2. Players rated OoS 3 shall play on courts 2 or 3. Captains shall NOT skip a court at any time nor move players from courts 1 to 3 or *3 to 1 during a season.** (*If a captain mistakenly selected an incorrect OoS, they may seek permission by the Commissioner to amend a player's OoS prior to the beginning of a season)

Best 3 out of 5 games to 11 – win by 2 on each court all Divisions. Exception: If a 5th game is required, it will be sudden victory to 11.

Should a match reach the 5th game, a court side switch will occur when the first team reaches a score of 6. Serve remains with the player holding serve.

Divisional (and sub-divisional when set) standings shall be determined by Win/Loss record.

In the event of a win/loss tie record, the standings "tie breakers" shall be the following;

1. Total accumulated points (1 point shall be awarded per court win).
2. "Head to Head" competition. Ex; Team A and Team B are tied in both win/loss and points. Team A beat Team B during the regular seasons play, Team A is the 1st place Team.

Team Captains will exchange line-ups on match day just prior to match start. Once line-ups are exchanged, changes may **only** be made in the event of a player injury, player no-show or player illness prior to the start of the match.

Captains may change court assignments only in this case! Once match starts, no substitutions shall be made.

"Grace period" of 15 min. for visiting team only. Teams may take 15 minutes prior to the start of each match for warm-ups.

A coin toss will be made just prior to every match start. Each court shall conduct an independent coin toss. The visitor will call the toss. If the winner chooses to serve or receive first, the loser chooses the starting end. If the winner chooses the starting end, the loser chooses to serve or receive. Home court rules do NOT apply with league play.

USA Pickleball rules and these local league rules of play will be followed. No referees will be provided. If there is a dispute on the court that cannot be resolved by players, team captains will be called upon to settle disputes.

Score Sheets **must** be signed by both team captains and scores **must** be posted NTL 24 hours, post-match.
